ABOUT US

Guardians International has over 30 years' experience in providing support to international students coming to UK boarding schools and universities.

Our reputation is as a leading provider of guardianship services with the highest levels of service and quality available anywhere in the United Kingdom.

We are also proud to be **the only company in the UK with 3 individual accreditations and quality marques** from AEGIS, QEGUK and the BSA.

At Guardians International **we all fully understand the investments you are making** in your children's education. Experience states that the key to success is ensuring your child's well-being and happiness. This comes directly for the environment your child experiences, at school, when travelling or whilst staying with host families.

Our mission is to make these experiences as **rewarding and enjoyable** as possible which in turn builds confidence and a broader outlook on life which ultimately will translate to academic success.

Our team have over 30 years of experience working in the UK public school sector and uniquely we combine:

- All staff provide hosting services as well as guardianship*
- Work with over 100 leading UK boarding schools*
- Working with leading education agents and consultants*
- National network of coordinators to directly support students*
- Providing the highest quality & service standards available*
- No office hours with direct access to staff in your country and the UK*

OUR SERVICES

We have designed our core service packages to cover the support that your child will need whilst at boarding school or university. At all times our aim is to ensure your child's well-being and happiness and promote the best academic achievement possible from their time in the United Kingdom.

Our services are flexible and can be tailored but depending on your requirements will include:

- Acting as your child's guardians in the UK as required by your school and Visa.
- Providing a UK mobile SIM and support managing the account.
- Provide pre-departure support and advice prior to coming to the UK.
- Managing local financial needs including pocket money including access to top cash cards.
- Access to staff in your country to provide you support and ease communications
- Visits and regular contact during the year to support your child's development and well-being.
- Access to UK coordinators with no office hours for you and your child.
- Reports back on how your child is settling in and on their performance and happiness at school.
- 24/7 emergency cover for your child both when at school and outside.
- Director oversight of all relationships with you and monitoring your child's performance and welfare.
- Arranging a suitable host family to look after your child during home weekends and half terms.
- Directors regularly available in your country to provide advice and support for any specialist needs you may have
- Advice and arranging your child's travel arrangements whilst in the UK including school and sports trips, host and airport travel.

YOUR CHILD'S WELFARE & HAPPINESS

At Guardians International your child and their welfare and happiness are at the forefront of everything we do.

Our approach ensures we:

- Treat your child like they were one of our own children.
- Take a 360 degree view of your child and their well-being.
- Keep you well informed through regular communications via all medias.
- Ensure we work in partnership with parents, schools and our hosts.
- Are available to parents at all time including where possible in their own country.
- Act as the first point of contact for schools and other parties on issues or decision that need to be taken or resolved.
- Always put the long term well-being and success of your child as our priority.
